

From Austin, head east on highway 71 towards Bastrop for about 25 minutes. Just before entering Bastrop, take exit 304 south, then turn right at the signal light by Covert Chevrolet, onto Road 304.

After about 15 miles / minutes down this road, you will see Owl Western Wear just by the railroad tracks. Continue another 2 miles to Peach Creek Road. It's a tiny road, so watch out. Turn left here and go about 2 miles to the entrance of The Farm on your left.
